

Using Istation on a Public Computer

This visual guide will assist you in setting up and using Istation on a public computer, which will allow your child to access the Istation Reading program

Step 1:

[Download](#) the Istation app to a Windows, Mac, Chromebook, iPad, or Android device.

For technical information, go to www.istation.com/Support.

Step 2:

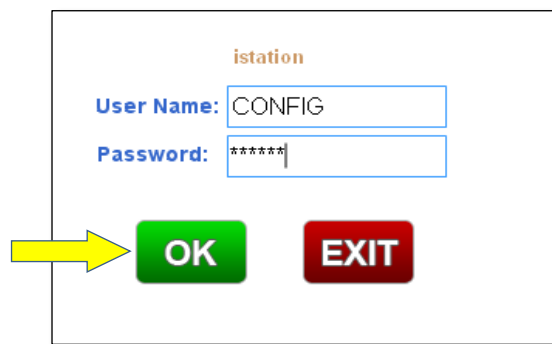

After downloading, click on the Imagination Station icon located on your desktop.

Step 3:

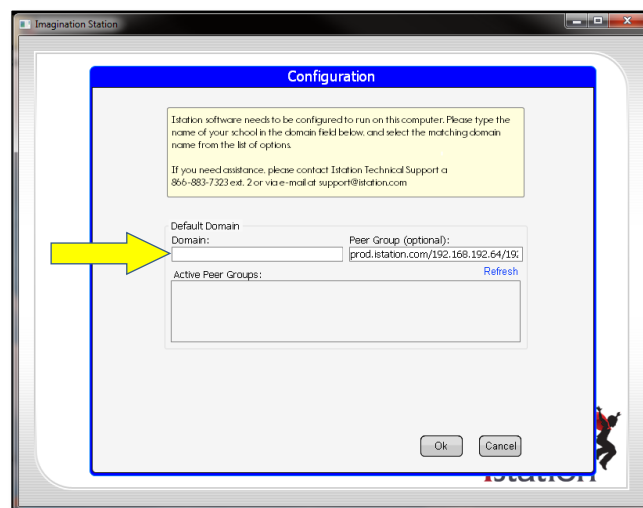

Multiple schools will be using these computers; therefore, the domain (school name) will change each time a user logs in.

To change the domain, enter "CONFIG" as the username *and* password.

Step 4:

Type the school name in the domain box, select the school, and click **OK**.

Step 5:

- A. Enter your username and password.
- B. Click the **OK** button.

Step 6:

Select from the following:

- **Reading with ISIP/Lectura con ISIP** – interactive reading adventures
- **Books/Libros** – leveled reading
- **Writing Rules!** – a step-by-step guide to good writing practices
- **Math with ISIP** – interactive math missions
- **Ipractice** – revisit lessons
- **Assignments** – based on what the classroom teacher has assigned

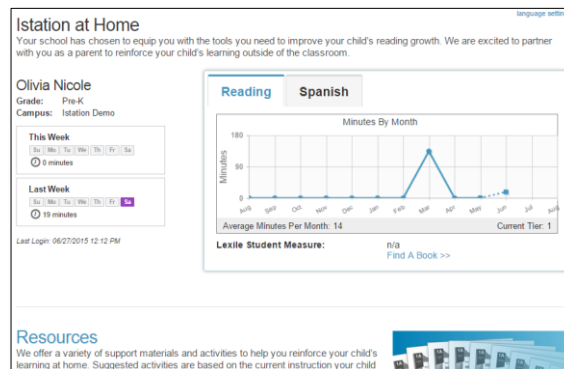

Parents, please go online to www.istation.com to find a variety of support materials and activities to help reinforce your child's learning at home.

Step 1:

Click **CUSTOMER LOGIN**. Type your child's school name and choose the correct school from the drop-down menu.

Step 2:

Now you're ready to log in. For the username and password, use the information provided by your child's teacher and click **Log On**.
